2. An individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

Education Code 28.025(c)

SPECIAL EDUCATION

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's admission, review, and dismissal (ARD) committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. [See GRADUATION OF SPECIAL EDUCATION STUDENTS, below] 19 TAC 101.3023(a)

POSTHUMOUS
DIPLOMA

Beginning with students enrolled in grade 12 during the 2005–06 school year, and on request of the student's parent, the District shall issue a high school diploma posthumously to a student who died while enrolled in the District at grade level 12, provided that the student was academically on track at the time of death to receive a diploma at the end of the school year in which the student died. "School year" includes any summer session following the spring semester.

EXCEPTION

The District is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

The District may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

Education Code 28.02121

SECTION III: EARLY GRADUATION

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. **SECTION VI: GRADUATION OF STUDENTS RECEIVING
SPECIAL EDUCATION SERVICES**

COMPLETION OF
GENERAL EDUCATION
REQUIREMENTS

A student receiving special education services may graduate and be awarded a regular high school diploma if the student meets one of the following conditions:

1. The student has satisfactorily completed the state's or District's (whichever is greater) required standards in 19 Administrative Code Chapters 110–128 and Chapter 130 and credit requirements applicable to students in general education for graduation under the Recommend or Advanced/Distinguished Achievement Programs, including satisfactory performance as established in Education Code Chapter 39, on the required state assessments.
2. COMPLETION OF IEP

3. The student has satisfactorily completed the state's or District's (whichever is greater) required standards in 19 Administrative Code Chapters 110–128 and Chapter 130 through courses, one or more of which contain modified content that is aligned to the standards required under the Minimum High School Program as well as the credit requirements under the Minimum High School Program, including participation in required state assessments. The student's ARD committee shall determine whether satisfactory performance on the required state assessments is necessary for graduation. The

student must also successfully complete the student's IEP and meet one of the following conditions, consistent with the IEP:

- a. Full-time employment, based on the student's abilities and local employment opportunities, in addition to sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the District;

The ARD committee shall determine needed educational services upon the request of the student or parent to resume services, as long as the student meets the age eligibility requirements.

AGING OUT

4. The student no longer meets age eligibility requirements and has completed the requirements specified in the IEP.

19 TAC 89.1070(b), (e)–(f)

EVALUATION

Special education students graduating under the above provisions shall be provided with a summary of academic achievement and functional performance as described at 34 C.F.R. 300.305(e)(3). The summary shall consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. If the student is graduating based on completion of his or her IEP, the evaluation under 34 C.F.R. 300.305(e) shall be included as part of the summary. Students who participate in graduation ceremonies but who are not graduating under 19 Administrative Code 89.1070(b)(3) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(c)–(d)*

SECTION VII: GRADUATION OF MILITARY DEPENDENTS

COURSE WAIVER

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military

student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the District shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

TRANSFERS DURING
SENIOR YEAR

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the District after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

SUBSTITUTE PASSING
STANDARD

The Commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.
