Dear GSA Community,

The GSA Board of Trustees has directed the Head of School Search Committee to focus its immediate efforts on finding an interim candidate. An Interim Head of School will allow for a smooth transition in leadership. It will also give the Search Committee time and flexibility in its search for a permanent candidate.

For application information, please see the link on the GSA website [here](#).

There will be opportunities for public comment and input at a later stage. We will continue to keep you updated throughout the process.

Yours sincerely,

Sally Mills, Chair, GSA Board of Trustees
