

1060 PARTICIPATION BY THE PUBLIC

The School Board shall encourage the involvement of citizens, both as individuals and as groups, to act as advisors and resource people in the following manners:

1. In the development of broad policy statements.
2. In the development of administrative regulations and procedures to implement policies.
3. In the development of objectives for courses of study.
4. In the evaluation of educational programs.
5. In situations where the specific talents of the lay person complement the instructional services of the teachers.
6. In solving specific problems.
7. In serving as advisory persons to curriculum development projects.
