

**1130 GENERAL USE OF SCHOOL FACILITIES**

The School Board, being aware of the large capital investment the community has in school facilities, has determined that the community should receive maximum return for this investment. The introduction of the community education program has been made in pursuit of this objective. The policy is further extended to the use of school buildings and facilities by community groups in the promotion of school, civic, or social goals, at no charge, subject to the following conditions:

- 1. The requirements of the school program will receive priority in the assignment of school facilities.
- 2. School-related organizations, such as parent teacher student organizations and professional educational organizations will be given priority over non-related organizations.
- 3. The community education program will take precedence over non-educational programs.
- 4. Approved student groups will be given priority over adult groups.
- 5. Regular building custodial personnel are on duty and performing normal in-session activities.

School equipment may be used by non-school organizations or individuals. Removal of school equipment from buildings to which assigned, to be used for non-school purposes, is not authorized. Requests for equipment to be used shall be made when applying for building permit and noted thereon. A charge will be made for audio-visual equipment as listed in the auditorium fee schedule.

School facilities will be available for use on Saturdays, Sundays, or holidays. Any permits issued for buildings which are not staffed with custodial personnel at the time requested, will have a usage fee charged for said services. Any group utilizing school facilities must maintain proper and sufficient supervision of the group to ensure continuance of their permit authorization. The building principal and the Community Education Coordinator, in cooperation with the building engineer, will make final determination of adequacy of supervision. If supervision is determined to be inadequate by an agent of the School District, the use permit may be revoked.
