

4005 SCHOOL DISTRICT EMPLOYEES (IDENTIFICATION)

School District employees are identified as either providing classified services or licensed services.

Classified employees (secretaries, educational assistants, custodians, engineers, maintenance workers, technical service employees, non-licensed administrators) do not require a teaching or administrative license.

Licensed employees (superintendent, principals, directors, teachers, nurses, counselors, librarians, other instructional personnel) are those required to hold a current license by the State Department of Education.
