Your child has certain educational rights or protections under the McKinney-Vento Homeless Education Act. The rights are as follows:

- Immediately enroll and attend classes without having health and school records with you.
- Receive the same special programs and services, if needed, as provided to all other children served in these programs.
- Receive transportation to school as any other child in your school zone.
- Request enrollment in the school where you are living or in the school attended when you were permanently housed (school of origin). If you request your child to attend the school of origin, the school administrator will determine if it's in your child's best interest.
- If you request enrollment in the school of origin and the school determines that it is NOT in the best interest of the child, the school must provide a written explanation. You have the right to appeal the decision in writing to the FIT District Liaison.

Presenting a false record or falsifying records is an offense under Section 37.10, Penal code, and enrollment of the child under false documents subjects the person to liability for tuition or other costs. TEC Sec. 25.002(3)(d).

Flagler Schools Caregiver's Authorization Form

This form is required only if the student resides with someone other than the parent or court-ordere guardian.

This form is intended to address the McKinney-Vento Homeless Education Act of 2001 (MVA) Section 724(g) of the McKinney-Vento Act, as amended by the ESSA (Pub.L. 114-95), requirement that homeless children have access to education and other services. The MVA specifically states that barriers to enrollment must be removed. In some cases, a student may be considered homeless if they do not reside with his/her parent or guardian; however, this fact does not nullify the student's right to receive a free, appropriate public education. This form authorizes an adult (not parent/guardian) to serve as the adult contact for a homeless youth. This covers enrollment, attendance, and medical emergency contact.

Instructions: Complete this form for a student presenting himself/herself for enrollment while not in the physical custody of a parent or guardian.

- To authorize enrollment in school of a minor, complete items 1 through 4 and sign the form.
- To authorize enrollment and school-related medical care, complete all items and sign the form.
