- 14 Student recognized for their efforts in January's theme of Gratitude and Believing in and supporting their community.

Approval of minutes from January meeting

- Attendance/Suspension data
- Current cell phone policy-Revisit in Spring
- Attendance interventions

Vaping presentation by Salt Lake Health department

- E-cigarettes are more popular now than alcohol
- 10% use e-cigarettes in Middle School 90% don't
- 20% use e-cigarettes in High School 80% don't
- Reason kids use is to fit in, bored, feeling anxious/depressed, curious and stressed
- Marketing strategies are more accessible through social media i.e., Tik Tok
- Flavored vapes to target kids i.e., cotton candy, bubble gum
