MEGAN

Megan Corkery

Fondest Tonka Hoops memory: Travel basketball tournaments in Rochester and spending time with my teams at the hotel

Pregame meal: Chicken and rice bowl

Post-high school plans: Attend college and major in exercise science

Most influential person in my hoops career: My dad – he has spent many hours in the gym with me and has always support and pushed me to be my best

Favorite athlete: Justin Jefferson

Favorite MHS teacher: Mrs. Ohrt – She was a great teacher and wanted to get to know me on a personal level. I always enjoyed our conversations about basketball and track.

On my Dream Team, my teammates would be: Ellie Keenan, my cousin Sid McCrea, Giannis Antetokounmpo and Michael Jordan

Ella Wolff

Fondest Tonka Hoops memory: In high school hoops, going to breakfast club every morning with my best friends and sister last summer. Rec basketball was also super fun.

Pregame meal: Usually an apple and a PB sandwich

Post-high school plans: Going to Iowa State and majoring in engineering

Most influential person in my hoops career: 100% my mom. I don't think I would have ever tried the sport without her encouragement.

Favorite athlete: Probably Giannis Antetokounmpo

Favorite MHS teacher: My two favorite teachers were Mr. Veninga and Mrs. Patrick. They taught my favorite class together, which was Global Sustainability.

On my Dream Team, my teammates would be: Giannis (of course), my mom, Curry and Jordan

ELLA

TOOTIE

Tootie Cade

Fondest Tonka Hoops memory: All the times Coach Craig didn't want to say a swear word, so he had me fill in the word

Pregame meal: I normally eat a small snack of anything, but I always drink my Liquid I.V. energy boost

Post-high school plans: I am playing hoops at Morton College in Chicago

Most influential person in my hoops career: My Dad

Favorite athlete: Serena Williams

Favorite MHS teacher: Mrs. Thomas. She's a very funny teacher, knows how to keep the class involved and has the most interesting style out of all teachers.

On my Dream Team, my teammates would be: My dad at his prime, Stephen Curry, Kevin Durant

MADDIE

Fave teacher, Heidi Thomas

Maddie Prondzinski

Fondest Tonka Hoops memory: Playing on my 8th grade travel team and having so much fun with my teammates every weekend

Pregame meal: Warmed up mac-n-cheese with a vanilla yogurt

Post-high school plans: Not completely sure, but definitely going to a 4-year college

Most influential person in my hoops career: My sister

Favorite athlete: Naomi Osaka

Favorite MHS teacher: Currently my favorite teacher is Mrs. Thomas because she is brutally honest and unapologetically herself

On my Dream Team, my teammates would be: 1. Bugs Bunny, 2. Larry Bird, 3. Maya Moore, 4. Rachel Banham

I don't mean to sound cheesy but...

Hmmm...
shoot or pass...
What would
Troy do?

C'mon Ellie,
I think you know
the answer to
that.

Ellie Keenan

Fondest Tonka Hoops memory: Hanging with my team at the Rochester travel tournaments and summer open gyms

Pregame meal: An apple and a granola bar

Post-high school plans: Attend college and study neuroscience or education

Most influential person in my hoops career: My dad

Favorite athlete: Sue Bird

Favorite MHS teacher: My math teacher Mr. Johnson. He always has a good story or joke and really wants to get to know his students.

On my Dream Team, my teammates would be: Megan Corkery, Sue Bird, Troy Bolton and my Grandpa Marty
