NOTES
Each language class is full-year (three trimesters). Classes marked (H) indicate an honors course, open to students with recommendation of the department. AP courses also require departmental recommendation. In some cases, a placement test will also be required.

- Students wishing to begin their language studies above the first level will be required to take a placement test upon their enrollment.
- Peddie is a member of the School Year Abroad (SYA) program. In recent years students have spent a year studying in France, Spain and China. Other students have chosen to spend time in summer language immersion programs in these countries.
- In recent years, the Foreign Language Department has sponsored trips abroad including China, Spain and France.
