Spring Break is near...

Spring Break is a great time of year for our students and our staff to get that nice break that allows for a reset. As you and your family enjoy your staycation or vacation, we want to share a few pointers to staying safe. Be sure to stay hydrated as the temperatures begin rising. If you plan a hike or bike adventure, be sure to use sunscreen and have extra water and snacks. Be sure to use the buddy system for outdoor adventures and have good safe fun. Plan on staying home? No problem, enjoy and keep safety at the forefront of your mind. Clean yards and get rid of old debris and get ready for the warmer weather coming.

Students are receiving dress code violations more frequently. Please remember that the uniform bottoms are black or khaki pants or shorts. The bottoms MUST be plain in color - no stripes or designs can be worn. Blue Jean Day is every Friday without any rips or shredding. Closed toe shoes are required every day.

Students out of dress code will be given a warning the first time with families contacted and reminded of the dress code policy. After the first warning, parents will need to bring the proper uniform top or bottom to school for their child to remain in school for the day.

For questions, please feel free to call the school. Thank you.
