Dear GSA Families:

As you already know, we are scheduled to dismiss school early tomorrow, Wednesday, March 1. Although we will not know until early tomorrow, there is a chance that the start of the school day will be delayed due to the weather.

- If the start of school is delayed, the school day will end at the regular time, 2:30.
- If there is no delay and school starts at 8 a.m., then we will dismiss students at noon as planned.

I am sorry I cannot tell you the schedule definitively at this time, but I wanted you to know the possibilities in advance. We will let you know the plan as soon as we know about tomorrow.

Respectfully,

Tim Seeley
Head of School
