Rationale for Request:

If approved, the parent is responsible for transporting the child to and from school daily and on time. Bus service is **not** available to students on a waiver. Approved students are monitored for attendance, behavior, and academic performance to maintain approved waiver status. Waivers are granted on a yearly basis and placement for the next school year is not guaranteed. Applications will be processed on a first-come, first-serve basis. Applications must be submitted to Mary Hart, Supervisor of Administration at Mary.hart@stpsb.org. The deadline for submitting applications is March 28, 2023.
