TOASTED.

Just one bad, blistering sunburn as a child doubles your risk for skin cancer later in life. Yet more than half of all kids report having at least a minor sunburn in the past year. Don't get burned this summer!

Food Service Message

Free School Meals To Continue...

We expect the Community Eligibility Provision to continue next school year, so students taking a qualified nutritional meal will not be charged. We do charge for a la carte items. And we no longer enter Meal Applications while under this program.

Any money left in a Student's Meal Account at the end of this year, will remain in their Account to start school next Fall. These funds travel with the student from year-to-year until graduation.

Parents of graduating Seniors with more than \$5.00 in their Meal Accounts may request a refund or have the funds donated or transferred to another student.

Direct Certification letters are being mailed for students who are covered by PA's 2025 Sun Bucks Program (Summer EBT). If this letter is not received by mid-May, you may apply yourself for Sun Bucks by contacting PA's Department of Human Services at **877-395-8930**.
