TO OUR 2023 TOURNAMENT SPONSORS

Dear Sponsor,

Thank you for your financial support in partnering with Hickory Grove Christian School. My name is Tim Cheuvront and I will be assisting HGCS and our Booster Club with fund raising for our school. My wife Lori and I have been very involved over the years at HGCS. Our oldest son graduated in 2011, and our twins graduated in 2013.

Christian education has always been a priority in our household. Raising children in today's society with its values and/or lack of values can be a daunting task for any parent. For us, we were so thankful to partner with administrators, teachers, fellow Christian parents, and students to teach and guide our children through this complicated time in the secular world that we now live. Teaching your children Christian values and praying that they will behold to those values when they leave your home for college and work, was made undeniably more possible by watching their teachers and administrators hold to the same Christian tenets that they were being taught at home. Recently, our oldest son and his wife who live in Orlando enrolled our five year old granddaughter into kindergarten at Mount Dora Christian Academy for the fall. As parents, our son and daughter continue to see the value in Christian education and are willing to make the financial sacrifices necessary to make that happen... a legacy.

Although our children are now alumni, our desire is to support our school in any and all ways possible, including financially. As we honor Jesus Christ through our efforts in providing exceptional programs in academics, athletics, and the arts (the Triple A), we all know that these programs require money. Many of you have supported our school financially through the golf tournament, sponsorship, and signage throughout our campus. Our fund raising committee, in conjunction with our Booster Club, have developed a new and all encompassing sponsorship called the LEGACY SPONSORSHIP. The LEGACY SPONSORSHIP is available to any business and/or family who would like to partner fully with HGCS. This sponsorship will include priority signage for our football field, baseball field, and basketball court for the 2023-2024 season. In addition, the sponsorship includes full and maximum sponsorship for the golf tournament, as well as two full golf teams, with all of the tournament amenities. The sponsorship commitment is \$10,000, and will be all-inclusive to Hickory Grove Christian School sponsorship opportunities for the 2023-2024 year.

Again, thank you for your past financial support. We hope that you will prayerfully consider your continued support for our school and children as we continue our partnership in Christian education.

Yours in Christ,

Dr. Tim Cheuvront

2023 SPONSORSHIP OPPORTUNITIES
