

Course Selection Worksheet

for the 2023-24 School Year

Our academic schedule contains seven rotating blocks; four blocks meet per day.

The **maximum courseload** for students in any Form is no more than six courses per semester, which ensures that you always have at least one free period in your schedule.

Please contact registrar@standrews-de.org with questions or for permission concerning additional electives.

The **minimum courseload** is five academic courses per semester, with the exception of seniors taking an Art Major course.

Use the requirements checklists to make sure that you are meeting the graduation requirements for your Form year.
