Testing Accelerated 7th Graders in Intermediate Science

If 7th graders will take the NYS Grade 8 (Intermediate Level) Science test, please email testscoring@edutech.org to request pre-printed student answer sheets. Provide the name of your district's 7th grade accelerated science course. (The course should be mapped to State Course Code 53238 - Grade 8 Science.)

6th, 7th, or 8th Grade Students taking Algebra I, Earth Science, or Living Environment Regents

EduTech Test Scoring will be providing Math answer sheets for all Grade 6, 7, and 8 students enrolled in your district as well as Science 8 answer sheets for all Grade 8 students. If your district is not planning to administer the Grade 6, 7, or 8 NYS Math or Grade 8 NYS Science assessment to students taking the Algebra I, Earth Science, or Living Environment Regents, the "Taking Regents" Reason Not Tested code should be bubbled on the applicable students' answer sheets.

Pages 30-31 of the SIRS manual includes specific guidance around testing accelerated students and the choices that schools have:

<https://www.p12.nysed.gov/irs/sirs/sirs-manual.pdf>

2022-23 Data Timeline Summary

2/23/23:	Students loaded to Nextera Admin for 3-8 CBT ELA & Math
7/7/23:	All Regents scores due to Level 2
TBD (Aug):	3-8 ELA and Math scores released on L2RPT Tested/Not Tested report
8/17/23:	Deadline for 2022-23 SIRS EOY Data submission

NYSITELL

- The NYSITELL is used for initially identifying English Language Learners (ELL students).
- Administered on answer sheets provided by EduTech. PDFs to print additional answer sheets are available at: <https://tscorftp.edutech.org>
- After administration, the completed answer sheet must be scanned and loaded to ASAP to get the student's performance level on an ASAP report.
- This process began in 2018.

NYSESLAT

Students must have the 0231 :: ELL Eligible record & applicable ELL Program Code record in Level 0 by **2/27/23** to receive a pre-printed NYSESLAT answer sheet.

Students whose ELL status ended in 2022 should not have any ELL records reported in Level 0 for 2023.

Which students will receive pre-printed June Regents Answer Sheets?

The **Exam Roster** report in ASAP shows the students linked to each course mapped to a state Regents course code and will be available March 24.

To run, go to <https://asap.edutech.org>
Login to ASAP *using Level 0 credentials*
Select Regents > Click **Reports** >
Choose **Exam Roster**

Answer sheets will be provided for the students included on each Regents Exam Roster report. EduTech Test Scoring will be collecting course #/course names and Regents exam for students in official AP or IB courses as well as students who will be re-taking a Regents exam(s) in June 2023. Watch for the **Regents Answer Sheet Order Form spreadsheet** in April!

"If everyone is moving forward together, then success takes care of itself." Henry Ford
