Grant Application Guidelines:

- Applications that do not include a complete description of requested items as well as a cost estimate for each item will be deemed to be incomplete and will be disqualified from consideration for funding.
- If funding is approved by ELGEF, a project evaluation report must be presented to the ELGEF Board within 12 months reviewing the formal use of the grant dollars, success of the project and if applicable outcome measurements. This report should include still pictures and/or video, including a full release for use of pictures/video in ELGEF's promotional materials/website. In addition, ELGEF should be referenced as a funding source in any press releases/articles published about the project.
- If you are a past grant recipient, as an individual or a team, you must be up-to-date on all project evaluation reports for each grant awarded to be considered for further grant funding.
- Grants are intended to supplement and enhance academics and student learning opportunities. The grants are not to replace programs/projects normally funded by the Elkhart Lake – Glenbeulah School Board budget.
- ELGEF will not fund any request for consumable items such as textbooks, furniture, playground equipment, sponsorship of events, copyrights or annual licensing, teacher compensation, meals, athletic events or school activities related to fundraising.
