5th Grade Votes for Mayor

Speaking of elections, the Northridge 5th grade has been holding campaigns of their own over the past couple weeks in preparation for Junior Achievement's BizTown. JA Biztown combines in-class learning with a field trip day to a simulated town. This experience allows students to operate banks, manage restaurants, write checks and even vote for a mayor. It teaches the importance of citizen rights and responsibilities in a community, demonstrates a basic understanding of the free enterprise system, builds money management skills and much more. The 5th grade class has had a lot of fun forming campaign teams and casting their vote!
