## **MEMORANDUM**

---

**To:** School Board of Directors  
Dr. Ivan Duran, Superintendent  
**From:** Andrew Burgess, Controller  
**CC:** Becca Chen, Chief Financial Officer  
**Date:** February 22, 2023  
**RE:** September 2022 Financials

Typically, monthly financial reports are shared with the board approximately one to two months after a month is closed. However, OSPI identified calculation errors within their own financial reporting system at the close of 2021-22, which required correction. This caused the delay in the 2021-22 report, and delayed these first monthly reports for the 2022-23 year. Now that the prior fiscal year has been reported, monthly financial reports will resume their normal cadence.

### **Enrollment Report**

Highline's projected FTE for 2022-23 is 16,263. Average FTE in September was 16,420, which was 157 FTE more than that projection.

Running Start enrollment is not reported until October.

In September, Highline enrollment for both Open Doors {1418} and the Skills Center was less, as those programs always start later in September.

ALE is lower than the projection, as Highline Virtual Academy is only reported in the above basic education enrollment for the month of September. Beginning in October, Highline Virtual Academy enrollment will be included as part of ALE enrollment, as well.

In the CTE program, Highline had 64 fewer FTE in middle and high schools combined, compared to the projection. This was due to a 27 FTE decrease in high schools and a 37 FTE decrease in middle schools.

As is common in September, Highline had 395 fewer students compared to the projection in the Bilingual Program. This gap from projections to actual enrollment will shrink over the course of the school year as more students are identified and served through this program. The Bilingual exited student count will likewise increase over the school year.

Special Education enrollment was 258 students lower to start the year than projected, but always increases throughout the school year as more special education students are identified and served.

#### General Fund

Revenue collections for the month of September totaled \$23.1 million. (The bulk of fall property tax collections is in October.) Expenditures totaled \$26.9 million for the month. Higher expenditures than revenue decreased the fund balance by \$3.8 million. The unassigned fund balance was \$29.1 million. The balance sheet shows that the total ending fund balance at the end of September was \$38.6 million.

5.6% of budgeted revenue was received by September this year, compared to 6.4% this same time last year, a difference of 0.8%. As for expenditures, 6.4% of the budgeted amount for the year was spent in September, compared to 6.6% at the same time last year.

#### Capital Projects Fund

Expenditures in the Capital Project Fund reflect bond-related building projects and staff compensation. Budgets represent District commitments for staff compensation, contracts, and purchase orders for the fiscal year 2022-23. The Capital Projects Fund balance at the end of September was \$59.6 million.

#### Debt Service Fund

The Budget Status Report shows the result of the second bond refunding (2022B), that was authorized by the board in June and closed in September, resulting in lower interest rates that will save taxpayers almost \$2.7 million during the life of that debt. Highline also collected \$1.3 million in property tax and about \$8,000 in interest in the Debt Service Fund in September. No bond principal or bond interest payments were made this month. The next bond payments are scheduled for December. The Debt Service Fund balance increased to \$9.4 million.

#### ASB Fund

Total revenues collected for the month were approximately \$123,000, with expenditures reaching just over \$60,000. The fund balance increased by about \$63,000, accordingly, for the month of September. September revenue is predictably higher than expenditures in ASB, since donations and fundraisers take place earlier, while activity/event planning must happen before expenditures are made. The ending total ASB fund balance was a little over \$1.1 million.

#### Transportation Vehicle Fund

The TVF collected \$352 in interest. The fund balance for September was \$1 million.

#### Investment Earnings

Investment earnings in September totaled \$110,510. The interest rate in September was 1.36%, 18 basis point higher compared to August.
