

Family Workshop

Sayreville Public School District

Welcome to the ST Math Family & Supporting Your Child in ST Math Workshop

- **In this introduction to ST Math:**
 - Explore how learning occurs in ST Math.
 - Learn how to support your child using the **Problem-Solving Process** and the program tools.
- **Workshop details:**
 - This event is for families. Students are welcome to attend with a parent or guardian. Registration is needed.
 - It is best to join the workshop on a computer or Ipad. No phones.
 - The workshop will not be recorded. The audience will use the chat feature to communicate.
