

The American School in London

Playground rules

- Movement to playground should be done in a managed and quiet manner.
- Students should remain quiet and respectful inside the building, particularly when moving through learning areas (i.e. gymnasium).
- Upon returning to the building from the playground, students should observe the "SILENT TREE" sign and stop talking at that point.
- If balls go out of the playground, the duty staff will supervise their retrieval. Balls that go on the roof will be thrown down periodically.
- No running, tag, or ball games permitted in playground equipment area.
- Take turns.
- Jumping off equipment is not permitted.
- Use common sense when making decisions.
- Keep the playground clean by putting litter in the bins and by picking up any stray papers.
- At the end of recess, the first whistle blown means "freeze" the second one means "line up."
