SUPPORTING EDUCATORS**

How Do You Want to Grow?

Check out these upcoming opportunities!

Issued March 2, 2023

Improving Students with Disabilities Conceptual Understanding of Math

T/TAC-ODU will be selecting a small cohort of special educators to participate in the teacher collaborative inquiry process. Planning for the project will begin this summer and implemented in the Fall 2023. Teachers selected will receive recertification and an honorarium. [Register](#) for the information sessions to be held March 9th @ 5pm.

Development and Revision of 2018 Science SOL's

The VDOE is seeking K-12 public school educators who are qualified and available to serve on the Standards Development Committee this summer. Submit an online application by April 21. See the [VA Superintendent's Memo](#) for details.

2023 VMSA Annual Conference

The Virginia Middle School Association's annual conference is scheduled for March 30, at James Madison University in Harrisonburg. [Register](#) or find out more information today!

Reading Specialist Endorsement with W&M

William & Mary offers a post-professional online certificate for teachers who currently hold a master's degree but would like to add a reading specialist endorsement. It is a fully online 21-credit program, offered in 7-week terms over five semesters. More [information](#) is available or [email](#) Dr. Denise Johnson with questions.
