SEL GROUP SPOTLIGHT

First Gen Group

The First Gen Group is designed to support first generation college-bound students. A first generation college bound student is one whose parents did not attend or complete college in the United States.

The weekly meetings provide valuable information about how to properly prepare for the college application process. This includes college/career research, college application process, financial aid, and life as a college student. The First Gen advisors help students create SMART goals to achieve success in the short, medium, and long term. If interested, contact Ms. Agmana at eleanor.agmana@edison.k12.nj.us

NHS TUTORING

Need extra help with your classes? Take advantage of the NHS Tutoring that is offered. Services are available every Wednesday in the Media Center from 2:45 to 3:45. No appointment is needed, just walk in! Late busses are available.

COLLEGE SPOTLIGHT

Location: State College, PA

Tuition & Fees: \$35,946

No. of Undergrad Students: About 75,000

Penn State is in the top 1 percent of universities worldwide and has the largest alumni network in the nation. Founded in 1855, the University combines academic rigor with a vibrant campus life as it carries out its mission of teaching, research, and service with pride and focuses on the future throughout Pennsylvania and the world. Granted the highest rating for research universities by the Carnegie Foundation, Penn State teaches students to be leaders with a global perspective.

Penn State has 20 campuses spread throughout the state. The main campus, Penn State University Park, is located in the small city of State College, a quintessential college town with its small eateries and quirky shops that line the street marking the border between downtown and campus. Nestled near the base of Mount Nittany, the surrounding area of central Pennsylvania is known as "Happy Valley."

Penn State enrolls about 75,000 students who study in programs offered through the Colleges of Agriculture, Arts and Architecture, Business Administration, Communications, Earth and Mineral Sciences, Education, Engineering, Health and Human Development, Liberal Arts, and Science.

Penn State offers **rolling admission**. If you are interested in learning more about Penn State, visit psu.edu to view availabilities for campus tours and information sessions.
