WAUSAU EAST FORMAL SHOWCASE

WE ARE KINDLY LOOKING FOR DONATIONS OF FORMAL
ATTIRE FOR BOYS AND GIRLS

*GIRLS- LONG/SHORT FORMAL DRESSES, SHOES,
AND JEWELRY*

*BOYS- DRESS PANTS, BUTTON DOWN SHIRTS, AND
TIES*

DONATIONS CAN BE DROPPED OFF IN THE
COUNSELOR'S OFFICE BY MRS. WALTERS

Wausau East is looking for donations of formal attire for boys and girls. We will be happy to take your long and short formal dresses, shoes, suits, ties and boys dress slacks and shirts. We are also collecting women's jewelry. These items will be recycled and available for future East formal dances! Please consider donating your formal outfits instead of letting them collect dust in your closet or giving them to Goodwill. Clothing that has been cleaned and laundered can be dropped off in the Counseling Office.

SAVE THE DATE! The **Formal Showcase** will be open on March 15-16, March 29-30, and April 5-6 to all East students, free of charge. We have more than 80 long dresses and 100 short dresses, as well as 20 suits to choose from. More information will follow as we get closer to Prom!

Happy St. Patrick's Day

Checking Into Universities and Their IB Credit Policies

Now that your student has registered for next year's classes, it is time to start dreaming of colleges and universities. Know that every university has their own separate policy on course credit for IB exams and for admissions, so it is important to be a good consumer and compare and contrast each institution. If you are looking for a general rule of thumb, usually Higher Level (HL) IB courses such as English, History, Psychology, Biology, Physics and Visual Arts can earn college credit depending on your student's upcoming exam score in May. Standard Level (SL) courses may also earn credit. If you are interested in seeing what credit can be earned at a UW system school go the [UW HELP website](#).

Getting credit for SL classes is occurring more and more often. For example, check out the [University of Colorado System](#). They grant SL credit for all of the courses we offer at East High School as do most of the other UC universities.

[Purdue University](#) also grants credit for all of our SL courses at East as well, with the exception of foreign language. However, placement exams are given instead and traditionally our students have done very well on these types of foreign language exams.

If your student is an IB Diploma Candidate, the research you will need to do is even more critical. Take for example UW-Madison. Unlike Purdue, they grant very little SL credit, but recognize all of our HL courses. They will also award three credits for the IB Diploma. So students who take IB English, History, Biology and Psychology at the HL, and whose exam scores are high enough, could earn 24 credits plus whatever retro-credits they get from foreign language. These retro-credits usually average around 8 to 12; however, some of our IB students have earned 20. This puts your student between 28 and 44 credits for their IB preparation.

Now, compare this to the [University of Nebraska](#). For earning the IB Diploma, it will make the student a college sophomore with 25-28 credits and are eligible for an IB scholarship worth \$15,000 a year (\$60,000 total).

Another example is [St. Michaels College @ Colchester, Vermont](#) that will give up to 32 credits for the IB Diploma, or sophomore status. Students may also qualify for a merit scholarship depending on the diploma score.

Remember when applying to a two-year junior college or extension, they cannot give credit for IB exams. If your intention is to transfer to a four-year institution, early on in the process you will want to check the deferred admissions policy for that institution in regard to IB credits.

In summary, it pays to do your research. Every school is different.

Health Services News

IMPORTANT: If your child is feeling ill during the school day,

please have them report to the health office.

We will contact you to make arrangements for them to be picked up or sent home.

Information regarding your child and illness.

Please follow these guidelines from the Wausau School District for illness:

Masks are optional within the Wausau School District, so if you prefer to send your child to school with a mask, you are more than welcome to do that.

Here's what else you need to know:

- If your child is sick (COVID-19 or something else), keep them home.
- If your child is showing COVID-19 symptoms, we recommend they get tested.

We accept PCR, Rapid Antigen, and home tests.

- If the test comes back negative, they can return to school when they are fever free for 24 hours without medication and their symptoms are improving.
- If they test positive, we recommend that they quarantine for 5 days from their symptom onset.

So what does that look like? The first day of their symptoms is considered **DAY 0**.

Once **5 days** have passed, they are then cleared to return to school on **DAY 6**.

When they return, we recommend they wear a mask until **DAY 10**.

Reminder: All medication, prescription or over the counter, (i.e., ibuprofen, Tylenol, Tums, cold medication) must be kept in the health office during the school day. Students may carry emergency medication, inhalers and diabetic supplies. They also may carry cough drops, if needed.

Home test kits are available in the Health Office upon request and are free of charge for students, family members and staff. Please contact us!

Thank you from Wausau East Health Services!

Wausau School District Covid-19 Testing and Respiratory Illness Information

The Wausau School District is offering FREE Covid-19 testing for students, staff and the immediate family members of students and staff. You will need to show your Wausau School District badge to receive a test. Students should also have a parent or caregiver with them.

For more information, including testing locations and times, please visit our Covid-19 testing webpage [at this link](#).

Also included below is information regarding respiratory illness:

There has been an increase in respiratory illnesses recently, particularly respiratory syncytial virus (RSV) and influenza. Due to the higher than normal levels of RSV and influenza for this time of year, along with Covid-19, we are sharing a letter and some resources from the Marathon County Health Department. The intent is to provide awareness of the situation, what to do if you become ill with a respiratory virus, and actions to prevent the spread of respiratory viruses.

ACT - Required Testing for All Juniors: March 7, 2023

All juniors are required to take the ACT test on Tuesday, March 7. This test will be in person and attendance is required. Specific information regarding testing times will be sent home as we move closer to the test date.

The test on March 7 will be free to all juniors and if you are satisfied with your score, you do not need to take it again. You can elect to take the ACT multiple times and colleges will accept the highest score. Students can choose to take the test on a national test date through ACT. To register for a Saturday test, visit www.actstudent.org.

Attention Juniors!!

2023 UW Placement Testing

A reminder to seniors attending a UW campus for fall of 2023 - You must register to take your UW Placement Tests. Placement test results will be used to help identify appropriate classes when you register for your college classes.

Online placement testing registration for fall 2023 students will begin in March. Please monitor communications from your campus for further instructions. Seniors will receive information directly from the UW they will be attending on which tests to sign up for. For more information or to register, visit [UW Placement Testing 2023](#).

ACT Test Format & Prep

What does the test look like?

- o English: 75 questions/45 minutes
- o Reading: 40 questions/35 minutes
- o Math: 60 questions/60 minutes
- o *Writing: 1 essay/40 minutes

Suggestions to help you prepare:

Visit www.actstudent.org and do the practice tests

- Complete the ACT Prep (Method Test Prep) in Xello
- Relax the night before and get a good night's sleep – Do NOT have a late night with friends!
- Eat a healthy breakfast before the test
- Dress comfortably
- Take the test seriously, but don't panic

What should I bring to the ACT?

- o Entrance ticket with photo
- o [Permitted calculator](#)
- o #2 pencils and erasers
- o Identification (driver's license or school ID)
- o Fully charged Chromebook

The ACT is scored on a 1-36 point scale; 36 is the highest.

*NOTE: The ACT has an optional writing test, which all students will take on March 7. It is important for students to check to see if the college they plan on applying to requires the writing test since not all schools require the test.

SAT Test

The SAT is an entrance exam used by universities in the Eastern, Western and Southern parts of the United States to make admissions decisions. Please be sure to check if the college you are interested in requires the SAT test. The SAT is a multiple-choice, pencil-and-paper test created and administered by the College Board. The maximum composite score is 1600. For more information or to register to take the SAT, visit [SAT](#).
