

8th Grade 2023-2024 BHISD Middle School South Course Selection Sheet

LAST NAME: _____ FIRST NAME: _____

Scan the QR code for the BHMSS Course Catalog.

Check ONE for each of the following core classes. Students should consider time required for extra-curricular activities when considering Honors courses. Students selecting Honors courses must be personally committed to the effort and time necessary for personal success.

Language Arts <input type="checkbox"/>	Summer assignments are required for Honors Language Arts and will be due according to the timeline established by the English Language Arts and Reading Department.	Honors Language Arts <input type="checkbox"/>
Math <input type="checkbox"/>	Math is predetermined based on 2022-2023 placement. If you are not currently enrolled in advanced math and are interested in the Summer Math Program, contact Stormy Thibodeaux at stormy.thibodeaux@bhisd.net .	Honors Math <input type="checkbox"/>
Social Studies <input type="checkbox"/>	Honors Social Studies utilizes higher-order thinking, strong reading, writing, and analysis of primary sources to support learning U.S. history. <u>Co-enrollment in Honors Language Arts is highly recommended.</u>	Honors Social Studies <input type="checkbox"/>
Science <input type="checkbox"/>	Honors Science offers a more advanced level of experiences in the concepts of science. Laboratory activities are presented as a combination of inquiry and confirmatory exercises. <u>Co-enrollment in Honors Mathematics is highly recommended.</u>	Honors Science <input type="checkbox"/>

****Bring back SIGNED by FEBRUARY 27th****

(Students will enter their selection in Skyward on this date.)
