

LEOPARD NEWS

The official newsletter of Louisville High School

A Message from Mr. Tausch

I am extremely proud to be the leader of LHS, and I am not shy about telling everyone how great our kids are. I believe the things that we are doing, and the vision we have moving forward, has us lined up to become truly one of the best schools in Ohio. We have a tremendous amount of great things happening, academically, athletically, and everything in between.

And yet, there is one area that I believe we need to address, and that is that some of our students are choosing to vape within our building. I realize that this is not just a Louisville problem. It's a problem every high school in the country is probably working on. I also know that this issue is relative to every school. There are schools that have a bigger issue with it than us, and there are schools that have a lesser issue with it than us. However, Louisville High School is our house, and it's my responsibility to make sure Louisville High School is the best it can be.

The students are well aware of our campaign to keep these devices out of LHS. Now, I need your help. First, I am asking for you to have a discussion with your child and deliver this same message at home. We will not allow these devices in our school. Vapes and dab pens can contain nicotine, and we all know that nicotine is a harmful, addictive drug, and to make them even more dangerous, they can contain unknown, lethal concentrates and toxins. Second, if you are aware that your child has a vape, stress to them they are not to bring these inside LHS. By working together, we can begin to fix this issue and make Louisville the best it can be.

A Message From our Math Department

March Madness is in full swing in the math department with a flurry of activities this month. Final review and preparations are underway to get our students ready for the Algebra and Geometry OST tests on April 25-26. Several classes will be celebrating Pi Day on March 14 and participating in engaging activities for St. Patrick's Day.

LHS presents "Lucky Stiff"

On March 23-25, our Drama Club at LHS will be performing our spring musical, Lucky Stiff. Tickets can be purchased online. Similar to purchasing a ticket to one of our sporting events, you will simply use the Hometown app. Tickets are \$8 for adults and \$6 for students and seniors. This hilarious musical comedy is sure to bring out the laughter in everyone.

IMPORTANT DATES
