Student Spotlight

Congratulations to Timothy Abitz on his recent acceptance to the [Baylor Institute for Air Science](#) at Baylor University in Waco, Texas. Timothy was selected for their 30-seat aviation program out of 400+ applicants. With the competitive nature of Baylor University's aviation program, Timothy's acceptance is remarkable. Timothy is excited to apply what he has learned from TKA's aviation program of distinction as he prepares to become a professional pilot at Baylor this fall.

Do you have an achievement to share? If so, we want to know! Stop by to tell your college advisor or send an email. We can't wait to celebrate with you!
