Public Participation – Policy 1430

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. Therefore, the opportunity for individuals (staff, guests and/or district residents) to express an opinion is provided at the beginning of School Board meetings. Per Policy 1430 public comment should relate to agenda items. Those wishing to speak must sign-in with: name, address, phone number and topic being addressed. Sign-in must be done prior to the beginning of the meeting before the gavel has dropped. If a group wishes to speak, it is recommended they choose a spokesperson to speak on behalf of the group. The Board President will recognize each speaker and invite him/her to step up to the podium. Comment time is limited to three (3) minutes. Individuals making public comments are asked to refrain from any inappropriate behavior, including but not limited to: clapping, shouting and/or sarcastic, vulgar or disrespectful language or actions. The School Board will not respond to public comments during the meeting. The board may express regret regarding the speaker's concerns and thank them for their contribution. This allows the Board time to confer with district staff and gain valuable knowledge before determining whether or not to more fully respond to a speaker's comments.

Individuals with disabilities who may need a modification to participate in a meeting should contact the Superintendent's office no later than three days before a regular meeting and as soon as possible in advance of a special meeting so that arrangements for the modification can be made.
