WHEREAS, under the provisions of Section 6, Article IX of the Michigan Constitution of 1963, the tax levies for said bonds authorized pursuant to the 2020 Bond Proposal shall be without limitation as to rate or amount; and

WHEREAS, the School District previously issued its 2020 School Building and Site and Refunding Bonds, dated June 18, 2020 (the “2020 Bonds”) pursuant to the 2020 Bond Proposal, of which \$45,640,000 of the principal amount of the 2020 Bonds counted against the 2020 Bond Proposal; and

WHEREAS, the Board desires to authorize the issuance of the second series of bonds authorized pursuant to the 2020 Bond Proposal in the aggregate principal amount of not to exceed Twenty-Three Million Dollars (\$23,000,000) to pay a portion of the cost of the Projects and the costs of issuance associated with such bonds; and

WHEREAS, the School District desires to sell the bonds pursuant to a negotiated sale in order to preserve maximum flexibility in the timing and structure of the transaction and to minimize the costs of issuance thereof; and

WHEREAS, the School District also deems it advisable to authorize the Superintendent and Assistant Superintendent for Business Services, or either one acting alone (each an "Authorized Officer") to accept an offer to purchase the bonds from an underwriter, negotiate, approve and execute a bond purchase agreement with the underwriter and to approve various other terms and documents in connection with the sale and delivery of the bonds to the underwriter; and

WHEREAS, the School District must either be granted qualified status within the meaning of Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"), or receive prior approval of the bonds from the Michigan Department of Treasury ("Treasury").

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Issuance of Bonds. Bonds of the School District designated 2022 School Building and Site Bonds (Unlimited Tax General Obligation) (the "Bonds"), are hereby authorized to be issued in one or more series, with such changes to the bond name, designation or suffix as may be appropriate for each series based on the type of bonds issued, in the aggregate principal amount of not to exceed Twenty-Three Million Dollars (\$23,000,000), or such lesser amount as shall be determined by an Authorized Officer upon sale of the Bonds, for the purpose of financing a portion of the costs of the Projects and paying the costs of issuing the Bonds.

2. Bond Details. The Bonds shall consist of bonds registered as to principal and interest of the denomination of \$5,000 or integral multiples thereof, be dated as of such date as shall be determined by the Authorized Officer at the time of sale of the Bonds, and numbered as determined by the Transfer Agent (as defined below). The Bonds shall mature on May 1 or November 1 in the years and in the principal amounts as determined by the Authorized Officer at the time of sale provided the final maturity of the Bonds shall not be later than twenty (20) years from the date of issue. The principal of the Bonds shall be payable at a bank or trust company selected by the Authorized Officer, as registrar and transfer agent for the Bonds (the "Transfer Agent") upon presentation and surrender of the appropriate Bond.

The Bonds shall bear interest at a rate or rates to be determined upon negotiated sale thereof, but in any event not exceeding a true interest cost of five percent (5.00%) per annum, payable semi-annually on May 1 and November 1 in the years as determined by the Authorized Officer at the time of sale and the underwriter's discount shall not exceed six-tenths of one percent (0.60%) of the principal amount of the Bonds.

Interest on the Bonds shall be paid by check drawn on the Transfer Agent mailed to the registered owner of the Bonds at the registered address, as shown on the registration books of the School District maintained by the Transfer Agent. Interest shall be payable to the registered owner of record as of the fifteenth day of the month prior to the payment date for each interest payment. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the School District to conform to market practice in the future.

The Bonds may be issued in book-entry-only form through The Depository Trust Company in New York, New York.

The Bonds of any series may be issued as serial or term bonds or both and shall be subject to optional or mandatory redemption prior to maturity at the times, in the manner, in the amounts and at the prices determined by the Authorized Officer at the time of sale of the Bonds.

Unless waived by any registered owner of any Bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the School District. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the redemption date; the redemption price; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

3. Bond Form and Execution of Bonds. The Bonds shall be substantially in the form in the attached Exhibit A with such changes as are authorized by the terms of this Resolution or necessary to complete the provisions hereof. The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board. No Bonds shall be valid until authenticated by an authorized representative of the Transfer Agent. The Bonds shall be delivered to the Transfer Agent for authentication and be delivered by it to the purchaser in accordance with instructions from the Treasurer of the Board upon payment of the purchase price for the Bonds in accordance with the bid therefor when accepted. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

4. Debt Retirement Fund. Unless the School District establishes a Common Debt Retirement Fund as provided by law for all issues of bonds of like character of the School District, the Treasurer shall open a special depository account for the Bonds with a bank to be designated as 2022 School Building and Site Bonds Debt Retirement Fund (the “Debt Retirement Fund”). All proceeds from taxes levied for the payment of the principal of, interest on and redemption price for the Bonds shall be deposited into the Debt Retirement Fund or the Common Debt Retirement Fund, if one is established. Once the Debt Retirement Fund is established, the moneys deposited

in such fund shall be used solely for the purpose of paying the principal of, interest on and redemption price, if any, for the Bonds. If the School District establishes a Common Debt Retirement Fund, the moneys deposited in that fund shall be used solely for the payment of the principal of and interest on the Bonds and other bonds of like character of the School District payable from the Common Debt Retirement Fund. The accrued interest, if any, received upon delivery of the Bonds shall also be deposited in the appropriate debt retirement fund. Taxes required to be levied to meet the principal and interest obligations and redemption premiums, if any, may be without limitation as to rate or amount, as provided by Article IX, Section 6 of the Michigan Constitution of 1963.

5. Capital Projects Fund. There shall be established by the Treasurer a special depository account, designated the 2022 School Building and Site Bonds Projects Fund (the “Capital Projects Fund”). The amounts specified by an Authorized Officer at the time of sale of the Bonds from the net proceeds of sale of the Bonds and from any net original issue premium shall be deposited to the Capital Projects Fund to be used solely and only to pay for the costs of the Projects and the costs of issuance of the Bonds. Except for investment pending disbursement and as herein provided, the moneys in the Capital Projects Fund shall be used solely to pay the costs of the Projects and the costs of issuance of the Bonds as such costs become due and payable and, as may be necessary, to rebate arbitrage earnings, if any, to the United States Department of Treasury as required by the Internal Revenue Code of 1986, as amended (the “Code”). Any net original issue premium received on sale and delivery of the Bonds shall be deposited in the appropriate fund consistent with State and federal law, and if required by federal tax law, may be used to pay capitalized interest on the Bonds associated with the Projects or may be used to reduce the principal amount of the Bonds associated with the Projects issued. Such net original issue premium received, if any, shall be counted against the 2020 Bond Proposal authorization. Moneys remaining in the Capital Projects Fund after completion of the Projects and payment of the costs of issuance of the Bonds may be used first for any purpose permitted by the 2020 Bond Proposal, and second for any purpose permitted by law, then shall be transferred to the Debt Retirement Fund.

6. Unlimited Tax. Commencing with the fiscal year beginning July 1, 2022, it shall be the duty of the School District to levy a tax annually in an amount sufficient so that the estimated collections therefrom will be sufficient to pay promptly when due the principal of and interest becoming due on the Bonds, which tax levies shall not be subject to limitation as to rate or amount.

7. Negotiated Sale. The School District has considered the option of selling the Bonds through a competitive sale and a negotiated sale and, pursuant to the requirements of the Act, and based on the advice of the Municipal Advisor has determined that a negotiated sale of the Bonds provides the School District with greater flexibility in structuring bond maturities and the timing of the sale of the Bonds, and will enable the School District to better market the Bonds to the advantage of the School District and its taxpayers.

8. Retention of Underwriter and Execution of Bond Purchase Agreement. The School District hereby appoints Huntington Securities, Inc. as senior managing underwriter for the Bonds (the “Underwriter”). Each Authorized Officer is hereby authorized to appoint one or more co-managing underwriters, if recommended by the Municipal Advisor. Each Authorized Officer is

further authorized to negotiate and award the sale of the Bonds to the Underwriter pursuant to a bond purchase agreement, subject to the parameters set forth in this Resolution. Each Authorized Officer is authorized to execute and deliver the bond purchase agreement on behalf of the School District without further approval of the Board, *provided that* the true interest cost on the Bonds shall not exceed 5.00% and the underwriter's discount shall not exceed 0.60% of the principal amount of the Bonds.

An Authorized Officer may, without further approval or direction from the Board, execute a sale order evidencing the final terms of the Bonds, and make any of the determinations, covenants and elections authorized by this Resolution, provided that the final terms of the Bonds shall be within the parameters set forth in this Resolution.

9. Ratings and Bond Insurance. The Authorized Officer is authorized to apply for bond ratings from municipal bond rating agencies if deemed appropriate, and apply for and purchase a policy of municipal bond insurance, if deemed appropriate by the Municipal Advisor and Bond Counsel (as defined below).

The President of the Board or the Authorized Officer are further authorized to execute and deliver the final Official Statement relating to the Bonds on behalf of the School District and to approve, execute and deliver any amendments and supplements to the Official Statement necessary to assure that the statements therein are, and as of the time the Bonds are delivered to the Underwriter will be true, and that it does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

11. Continuing Disclosure Undertaking. The School District hereby covenants, in accordance with the provisions of Rule 15c2-12, as may be amended (the "Rule"), promulgated by the Securities and Exchange Commission (the "SEC"), to provide or cause to be provided the information set forth in the attached Exhibit B, as such Exhibit may be revised by the Authorized Officer as required by Rule 15c2-12 prior to delivery of the Bonds.

12. Tax Matters. The School District hereby covenants that, to the extent permitted by law, it shall take all actions within its control necessary to maintain the exclusion of the interest on the Bonds from adjusted gross income for federal income purposes under the Internal Revenue Code of 1986, as amended (the "Code") including but not limited to, actions relating to the rebate of arbitrage earnings, if applicable, and the expenditure and investment of Bond proceeds and moneys deemed to be Bond proceeds.

13. Further Bond Details. The Authorized Officer is authorized to adjust the final Bond details to the extent necessary or convenient to complete the transaction authorized in this Resolution, and in pursuance of the foregoing is authorized to exercise the authority and make the determinations authorized pursuant to Section 315(1)(d) of the Act, including but not limited to, determinations regarding interest rates, prices, discounts, maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery

and payment, designation of series, and other matters, all subject to the parameters established in this Resolution.

14. Retention of Bond Counsel and Municipal Advisor. The law firm of Miller, Canfield, Paddock and Stone, P.L.C. is hereby appointed as bond counsel for the School District with reference to the issuance of the Bonds authorized by this Resolution (“Bond Counsel”). The representation of the School District by Miller, Canfield, Paddock and Stone, P.L.C. as Bond Counsel is hereby approved, notwithstanding Miller, Canfield’s periodic representation in unrelated matters of the Underwriter, Huntington Securities, Inc., and other potential parties to the transactions contemplated by this Resolution. The School District also hereby appoints PFM Financial Advisors LLC to act as financial advisor with reference to the issuance of the Bonds authorized by this Resolution (the “Municipal Advisor”).

15. Department of Treasury. The Authorized Officer is hereby authorized to make application to Treasury for prior approval to issue the Bonds or file a qualifying statement. The Authorized Officer is further authorized to request any and all waivers, including without limitation, rating waivers, or exemptions from Treasury necessary to the issuance of the Bonds as recommended by the Municipal Advisor and Bond Counsel.
