

# ANIMATION

## ARE YOU READY FOR A CHALLENGE?

Animation 1 and 2 courses are designed to bring the artist's creations to life!

### WHY ANIMATION?

Animation 1 students will be exposed to principles of animation and apply them to their own works of art. They will learn story board, character creation, rotoscoping, stop-motion, and 2D Animation.

Animation 2 Students will be introduced to motion graphics, cinematic effects and more in Adobe After Effects before learning how to model in a 3D realm.
