Our onsite, student-run bistro, the tabLE, will allow students to get the hands-on experience of running a restaurant. We will be open for lunch, special events, and catering.

Texas ProStart prepares students for careers in the restaurant and foodservice industry. They gain valuable restaurant and foodservice skills through their academic and workplace experience.

The Hospitality & Tourism Cluster prepares learners for careers in the management, marketing and operations of restaurants and other food services, lodging, attractions, recreational events and travel-related services. Hospitality operations are located in communities throughout the world.

This career cluster is organized into 4 career pathways: Restaurant and Food/Beverage Services, Lodging, Travel & Tourism, Recreation, Amusements & Attractions

CTE classes in this cluster will introduce you to a variety of possible careers, including: Executive Chef, Restaurant Owner, Director of Operations, Travel Agent, Event Planner, etc.
