Special assignments may consist of extra duties and may be assigned for minor disciplinary infractions. Probation and/or dismissal from extracurricular activities will be for infractions involving alcohol, smoking, drugs, use of profanity, violence, and other serious offenses when the sponsor/principal believes the integrity and credibility of the organization has been jeopardized by the student's action. Probation may also be assigned when the student fails to comply with rules and regulations of the extracurricular activity. (Probation is defined as: A trial period in which a student is permitted to redeem bad conduct.) The student may be dismissed from the extracurricular activity upon any major infraction, or during a probationary period.
