

SOUTHWESTERN MIDDLE SCHOOL

WILDCATS

**2022-2023
BAND HANDBOOK**

Southwestern Middle School Wildcat Bands

As a member of the band, you are a member of a team. We all must work together to achieve the many successes that are in our future. Over the course of this school year, try to remember the many reasons for participating in Band such as *“Learning an Instrument”*, *“Fun”*, *“Teamwork”*, *“A Sense of Belonging”*, *“Learning Responsibility”*, *“Music Makes You Smarter”*, *Cultural Enrichment”*, and many others. It is exciting to think about how much we really will accomplish this year.

Parents: Insuring student success in the band program requires cooperation from the teacher, student, and parent. Parents are a great support system for their children and should provide structure, praise, encouragement, and practice time. This handbook has been prepared to help you know what is expected of each student. Please become familiar with its contents and support your musician and the total band program.

Students and Parents:

- Please read through this handbook carefully and discuss it together.
- Please keep this handbook in a safe place, so you may refer to it if the need arises. It will also be available on the school website.
- If you have any questions regarding this handbook or your child’s progress, please feel free to contact the band director.

Sincerely,

Tom Eisan

PRIVATE LESSONS

1. Many of our Southwestern band students are already taking advantage of this great opportunity. In the Lafayette Area, we have many great instrumental music teachers who have a great amount of musical experience.
2. Private lessons are strongly encouraged and a highly recommended way for band students to learn more about their instrument. This individual attention can be very important in helping children develop their musical ability to its fullest potential.
3. Students who take private lessons are almost always among the most advanced and capable band students.
4. Private lessons provide individualized instruction on your instrument that neither rehearsals nor sectionals can offer.
5. Lessons generally meet once a week and you will be practicing a method book in addition to your band music.
6. Please contact the director of bands for an **approved private lesson teacher list**.

Please call if you need a recommendation for a private teacher.

We are blessed to have to opportunity to have an exceptional music program at Southwestern Middle School; however, the program cannot be successful without supportive parent volunteers. Your assistance with any of the items listed below will be greatly appreciated. There is always a need for volunteers and we are happy to work within your individual capabilities and exploit your talents wherever possible!
