

Nonnewaug High School 5 Minortown Road, Woodbury, CT 06798

# Class of 2023

NHSGradNite.com

Graduation from high school is a special event that stands out in all of our minds as both an educational milestone and a symbolic passage to adulthood. It is a time of celebration and lasting memories. **Besides** Woodbury and Bethlehem students, Nonnewaug High School hosts students from 14 other towns who attend our Ellis Clark Regional AgroSciences & Technology Program.

GradNite supports graduating seniors by providing a place for them to celebrate on graduation night that is alcohol and drug free. GradNite, now a 25-year tradition, is a party with ongoing entertainment, music, games, crafts, competitions, food and prizes.

The Class of 2023 has missed many of the typical high school celebrations and milestones over the past few years, so we are very excited to be able to host a GradNite for them! GradNite is a self-supporting program, we receive no funding from the school budget. It is only through our fund-raising efforts and the generosity of our parents, local businesses, organizations, and our community, that we have been able to host GradNite.

We are asking you to donate to our auction/raffle that will be held at the Woodbury Brewing Company on Thursday, 4/20 to help raise funds for our GradNite event this year. The donation could be an item, a gift card/certificate to your business, or a monetary donation. We would like to have all donations collected by April 1<sup>st</sup>, so we can promote our event and include your business in the advertising of the event.

Any contribution you can make will positively impact our NHS GradNite event on June 17th. Thank you for your thoughtful consideration of our request and please feel free to contact me if you would like any additional information.

Thank you,  
Christine Paige/GradNite Chair
