

SEVENTH GRADE VACCINATION REQUIREMENTS

The Ohio Department of Health requires all students to receive an additional dose of **Tdap** (Tetanus, Diphtheria and Pertussis) vaccine and to be vaccinated against meningococcal disease **BEFORE** entering the seventh grade.

This requirement can be met by one of the following ways:

1. If your child has received **Tdap and meningococcal vaccines** after age 10
 - School will need documentation of the immunization record **from the physician, pharmacy or clinic.**
 - It can be faxed to the school, sent through email or parent square to the school nurse at or dropped off at school. See below for specific numbers and email addresses.
2. A signed waiver for parental, religious or medical concerns. The form is available at this link:

STUDENTS WILL BE EXCLUDED FROM SCHOOL IF VERIFICATION OF THE Tdap BOOSTER AND MENINGOCOCCAL VACCINE IS NOT RECEIVED PRIOR TO THE BEGINNING OF SCHOOL YEAR.

There are various ways you may obtain this immunization:

- Your private physician, local pharmacies, or walk in clinics
- Public Health – Dayton & Montgomery County Department Immunization Clinic
Located at 117 S. Main St. (5th floor of Reibold Building)
Call for an appointment at 937-225-4550
Bring copy of immunization record

If your doctor says immunization might be harmful to your student, a waiver must be on file. If you object to immunization for good cause, for example religious convictions, a waiver must be on file.

If you have questions regarding this requirement, please contact your school nurse, physician or Public Health – Dayton & Montgomery County Department.
