### Message from the Principal

Thank you to everyone who came and volunteered today for Read Across America Day! We had over 35 guest readers! Even Mrs. Garvey made an appearance! What a great day we had celebrating the love of reading.

We are looking forward to our Title 1 Family Game Night on March 23, 2023! Come have fun with your kids and learn some educational games you can play at home to support your child's learning. We will also have a variety of Just for Fun games also. Dinner will be served as long as you RSVP! See information below.

Our Boosterthon Fun Run fundraiser is coming up on March 29th! Be on the lookout for fliers on how to register your child to help raise funds for materials of instruction and incentives. We will also need volunteers on the day of the run. If you are interested in volunteering, please email Marissa Ackerman at [mackerman@ccboe.com](mailto:mackerman@ccboe.com)

Ms. Shane Blandford, Principal

Starting in the 2018-2019 school year, all teachers and students in grades 5-11 had the opportunity to take the Maryland School Survey. The survey collects important information about relationships, engagement, the school environment, and safety. School leaders use results to learn about and improve the school community.

## Monthly Core Value

Our core value this month is forgiveness. Forgiveness is a choice to let go of frustration toward someone who hurt you. It allows us to think, feel, or act with kindness toward that person. Forgiveness does not mean you are being weak—it is deciding that someone who has wronged you doesn't have to pay.
