TREASURER'S REPORT:

1. Review September financial reports and agenda items for approval.
2. Review October financial reports and agenda items for approval.
3. Review the 5 year forecast as submitted by the Treasurer.

Due to Interim Treasurer Ryan Jones' absence there was not a treasurer's report provided by him. However, all financials and the 5 year forecast were provided to the Board in advance and the Board members were able to ask questions. Mr. Jones will follow up with any additional questions that may be asked.

In Mr. Jones' absence, Mrs. Sawicki provided a high-level overview of the 5 year forecast for the Board. She reminded the Board that the 5 year forecast is only reporting general funds and that the permanent improvement levy will be reported as a 003 fund.

A forecast is somewhat like a painting of the future based upon a snapshot of today. That snapshot, however, will be adjusted and the further into the future the forecast extends, the more likely it is that the projections will deviate from actual experience. A variety of events will ultimately impact the latter years of the forecast, such as state budgets (adopted every two years), tax levies (new/renewal/ replacement), salary increases, or businesses moving in or out of the district. The five-year forecast is viewed as a key management tool and must be updated periodically. In Ohio, most school districts understand how they will manage their finances in the current year. The five-year forecast encourages district management teams to examine future years' projections and identify when challenges will arise. This then helps district management to be proactive in meeting those challenges. School districts are encouraged to update their forecasts with ODE when events take place that will significantly change their forecast or, at a minimum, when required under statute.

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.

In a financial forecast, the numbers only tell a small part of the story. For the numbers to be meaningful, the reader must review and consider the Assumptions to the Financial Forecast before drawing conclusions or using the data as a basis for other calculations. The assumptions are very important to understanding the rationale of the numbers, particularly when a significant increase or decrease is reflected. The Assumptions can either be included in the forecast itself or in a PDF file posted separately.

Mrs. Sawicki directed the Board's attention to page 22 of the forecast and pointed out the following:

- Row 2.080- Total Revenue and Other Sources- FY23 is forecasted at about \$6 million in revenue.
- Row 5.050- Total Expenditures and Other financing Uses- FY23 is forecasted at about \$6.1 million in expenditures.
- Row 6.010- Excess of Revenue Over/ (Under) Expenses- District is forecasted to deficit spend by \$44,405 in the first year and also deficit spending in the 5th year (2027) by \$705.

Within the forecast, we anticipate a positive cash flow with the exception of those two years.

To summarize, In FY 2023 a revenue shortfall is expected. This means that expenditures are expected to be greater than revenue by \$44,405 in FY 2023. By the last year of the forecast, FY 2027, the district is expected to have a revenue shortfall where expenditures are projected to be greater than revenue by \$705. The district would need to cut its FY 2027 projected expenses by 0.01% in order to balance its budget without additional revenue (\$705). This forecast includes the Fair School Funding Plan (FSFP) adopted by Ohio starting in FY 2022. The district expects a combined impact of \$264,248 in FY 2023. This forecast includes a CFO adjusted trend calculation of the FSFP impact using current information. As information changes the estimates will be updated. The district is considered a formula district in FY 2023. A detailed state funding supplement to this forecast has been prepared and should be reviewed and considered part of the forecast assumptions. The district's cash balance is positive at year-end in FY 2023 and is projected to improve by FY 2027.

3. On November 11th our PBIS team (Julie Diloreto, Stephanie Havrilla, Nicole Firmstone, Robbin Carlos, Mellissa Gapsky, Larry Sammartino, Tracie Parry) conducted the 2nd all staff training on PBIS. This training focused on the PBIS *matrix*- identifying appropriate behaviors in the specific settings they occur and the explicit teaching of those behaviors. We also began to categorize inappropriate behaviors as *minor* (handled at the classroom level) or *major* (constitutes an office referral). The goal of establishing a universal system of support is to have all staff explicitly teaching and reinforcing the same expected behaviors, using the same language, and holding students accountable in the same way. Data collected from any office referrals that occur will be used to add additional universal supports, for example, more supervision in a certain area, or Tier II and II supports.

MISSION

4. The Lowellville Drama Club (plus 30ish K-6 graders) will present The Best Christmas Pageant Ever on Tuesday, November 22nd at 7:30 PM.

MISSION

SUPERINTENDENT'S REPORT:

1. Thank you to our voters in the community for your continued support and passing the 5 year permanent improvement school levy. I value the confidence that our voters and community have placed in our school system. Please know, the District will continue to monitor our dollars, act as a good steward of the community's investment in our schools, and provide transparency throughout the process. Once again, I sincerely thank all of you for your investment in the Lowellville Local School District.
2. I continue to keep a pulse on the needs of the school district and what we may need in order to function successfully. At this time, I believe it is in the best interest of all of our students and staff to continue to educate everyone on the importance of mental health. I have had several conversations with the Mahoning County Mental Health Board, ALTA, Cornerstone of Health, and COMPASS to discuss additional ways to support our students and staff. As we move into the next few months, there will continue to be efforts made to support individuals, small groups, and whole groups of students and staff. There will be a meeting held on November 29, 2022 with the administration, school counselors, and various mental health organizations to discuss support available for students and staff.
3. Request to revise the 2022-2023 school calendar to include an additional professional development day for staff members and no school for the students. The proposed date is Monday, January 2, 2023 (Attachment A).

COMMITTEE REPORTS:

1. None

OLD BUSINESS:

1. December Regular Board Meeting Date- Wednesday, December 28, 2022- 6:30 p.m.
 - Mrs. Yon stated that there was a request from Mr. Sturm to consider rescheduling the December 28, 2022 Board meeting due to it falling during the holiday break and a lot of events on the schedule. Conversation was held to see if the Board was available the week of December 19-24th. The week of the 19-24th was busy for several members and there are several basketball games during that week that would conflict with the meeting. Therefore, the decision was made to keep the Board meeting on December 28th as originally scheduled.
2. Treasurer Search
 - Mrs. Yon reported that the Board has conducted interviews but has not filled the position yet.

NEW BUSINESS:

1. Indoor Track
 - Based on a request from several stakeholders (students, parents, and Board member) to look into what would be required to designate indoor track as a sport in Lowellville, Mrs. Sawicki, Mrs. Parry, and Mr. Sammartino provided the Board with some information based on their research.

MISSION

- In order for students to participate in the State meet for indoor track, the district must officially recognize indoor track as a sport. This would need to be done through a Board resolution. Additionally, the district would need to have Board approved coaches. Furthermore, the Athletic Director would need to submit the resolution and approved coaches to the Ohio Association of Track and Cross Country Coaches by the middle of February 2023.
- Additionally, the Board engaged in conversation with the administration regarding indoor track possibly becoming a recognized sport at Lowellville.
- Mrs. Yon commented on her daughter's experience running indoor track as an "attached" runner one year and how Mrs. Yon had to sign a waiver in order for her to do so. She further explained how the rules changed the following year and her daughter had to run "unattached" which meant she could not participate/run in the State meet. Mrs. Yon stated that her daughter has been asked to run for other schools and her daughter is permitted to do so because the district does not currently recognize indoor track as a sport.
- The State changed the law last year regarding if students can run at State if they are not attached to a school. This is due to liability and the sport not recognized by OHSAA because it isn't financially profitable for OHSAA.
- Mr. Sturm asked if there would be conflicts with other sports. Mrs. Yon stated that the students could practice/run any time.
- Mr. Sturm asked if the students have been asking for the school to recognize the sport or if parents were asking for it. Mrs. Sawicki commented that according to the Athletic Director, Mr. Ballone, that students have been asking for the school to recognize the sport. Mr. Dubos commented that perhaps further discussion on this topic needs to be had and advised the administration and the Board to work towards doing so.
- Mr. Dubos asked if we would be able to get catastrophic insurance in time. Mrs. Yon stated that if the district does not recognize the sport the students are going to go somewhere else to run. Mr. Dubos does not want to see the decision rushed.
- Joe Sturm commented that he doesn't want to set a practice of rushing to do something. Stephanie Yon commented that indoor track has been discussed for two years but nothing was ever done. Jennifer Johnson and Brian Wharry stated that they do not want to hold back any students. Mrs. Yon asked if the school can help the students get aligned to run with another school district if the district does not recognize the sport. The administrators stated they could do so. Stephanie Yon, Bryan Wharry, and Jennifer Johnson stated that would be a viable option to support students.
- Jerry Dubos asked if Mrs. Sawicki would feel comfortable making a recommendation to the Board tonight to declare indoor track as a recognized sport in Lowellville. Mrs. Sawicki stated that she would be comfortable doing so as long as everyone understands that if the cost of catastrophic insurance comes back extremely high and not within the budget then the district would not allow anyone to participate this year. If the cost for the catastrophic insurance is within budget, then the students would be permitted to participate this year. After discussion, it was decided that Mrs. Sawicki would ask to amend the agenda during the Superintendent's recommendations and make a recommendation to recognize indoor track as a sport in Lowellville. Mrs. Sawicki also commented that if approved by the Board tonight she would then need to speak to the Lowellville Education Association and ask them to consider approving an addendum to the negotiated contract to include a 4% supplemental for a Head Coach for indoor track.

Mr. Dubos called for a motion to approve. Moved by Brian Wharry, seconded by Joe Sturm to adjourn the meeting at 7:18 p.m..

ROLL CALL: Sturm- Wharry- Yon- Dubos- Johnson- All Aye.

MISSION

Gerald Dubos declared the motion carried 5-0.

PUBLIC PARTICIPATION AT BOARD MEETINGS (BOARD POLICY: KD)

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of 30 minutes of public participation may be permitted at each meeting. Each person addressing the Board shall give his/her name and address. If several people wish to speak, each person is allotted three minutes until the total time of 30 minutes is used. At the discretion of the Board President, the time limit may be extended to five minutes. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring more time should follow the procedure of calling the Board office to request to be placed on the regular agenda at the Superintendent's discretion. The period of public participation may be extended by a vote of the majority of the Board, present and voting.

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
