Newsletter for Brookhaven Elementary Parents & Caregivers

Weeks of March 5 & March 12.

## Principal's Message:

I believe that parents are our partners in education, and I value your involvement in your child's education. By working together we can provide a supportive and enriching learning environment that promotes academic and personal growth. Your child's teacher is a dedicated professional who is committed to helping your child reach their fullest potential. By attending parent-teacher conferences, volunteering to read aloud, simply staying in touch with your child's teacher, or attending after-school programs, your involvement makes a difference.

Together we make Brookhaven a strong, supportive community that empowers our students to succeed.

Thank you for the support you provide Brookhaven Elementary and your child's teacher! Every day I see how the collaboration between you and teachers provides amazing outcomes for students.

-Mrs. Kane
