MANAGER, HEALTH LINKAGES PROGRAMS

Reports to: Health Linkages Program Coordinator
Division: Educational Services

Our ideal candidate
You are an excellent communicator, both orally and in writing. You are adept at working with diverse clientele representing varying roles. You take your responsibilities seriously and can be trusted to follow through on program plans, goals, and tasks. You are willing and able to provide some direct services to program participants. You are extremely organized, flexible, and calm under pressure. Above all, you are committed to empowering families and children through an integrated, comprehensive, and high-quality system of health education and services.

General description
Under the general direction of the Health Linkages Program Coordinator, assist in planning and executing countywide collaboratives and Health Linkages programs. The Manager, Health Linkages Programs collaborates with program partners to improve the health of children, families, and wider community of Santa Barbara County.

Specific duties and responsibilities
1. Plan, organize and execute countywide Health Linkages programs according to the goals and objectives of the program.

2. Monitor program activities, maintain records and data as required to document achievement of performance outcomes as defined by the scope of work for program grants; coordinate activities, goals, objectives and evaluations with participating programs; develop procedures for the programs to include research-informed and best practices.

3. Recruit providers to participate in targeted programs; maintain and update provider/resource lists; procure health and educational materials for programs.

4. Work with Health Linkages staff and community partners to schedule volunteer providers and coordinate preventative education for students, parents and providers; help to identify gaps in health services in Santa Barbara County.

5. Schedule and facilitate regular meetings with community partners, Family and Health Advocates, and their supervisors to assess needs for health education and services, review program data, and monitor program performance.

6. Work with Health Linkages Coordinator, Children and Family Resource Services, SBCEO fiscal department staff and administrative staff to establish billing and reimbursement procedures for health providers.
MANAGER, HEALTH LINKAGES PROGRAMS

7. Attend and actively participate in appropriate committees, workgroups, meetings, conferences, and trainings throughout Santa Barbara County, the region, and the state.

8. Act as spokesperson representing the interests of Health Linkages programs; maintain effective internal and external public relations.

9. Assist in grant writing to maintain or expand Health Linkages programs; complete reports as required; incorporate new resources as available to enhance or achieve program goals.
