4442.8 Dual Certification Examinations

A. Other sections of these rules not withstanding, should the class under examination contain fewer than three positions, or if the most recent promotional examination for the class fail to provide three ranks to fill each regular vacancy during the first year of the life of the list, the Director, Human Resources may, prior to examination, order dual certification. The order for Dual Certification shall be reported to the Personnel Commission.

B. Dual certification shall be interpreted to mean an examination open to employees and the general public, which results in one integrated eligibility list.
