Test Admin Resources

What's New for 2021?

The Summative ELPAC test window will be open from February 1 through May 31, 2021. LEAs may schedule testing according to local preference within this window and do not need to inform the CDE or ETS. All testing must take place within this window.

ESTIMATED TIMES FOR ADMINISTRATION

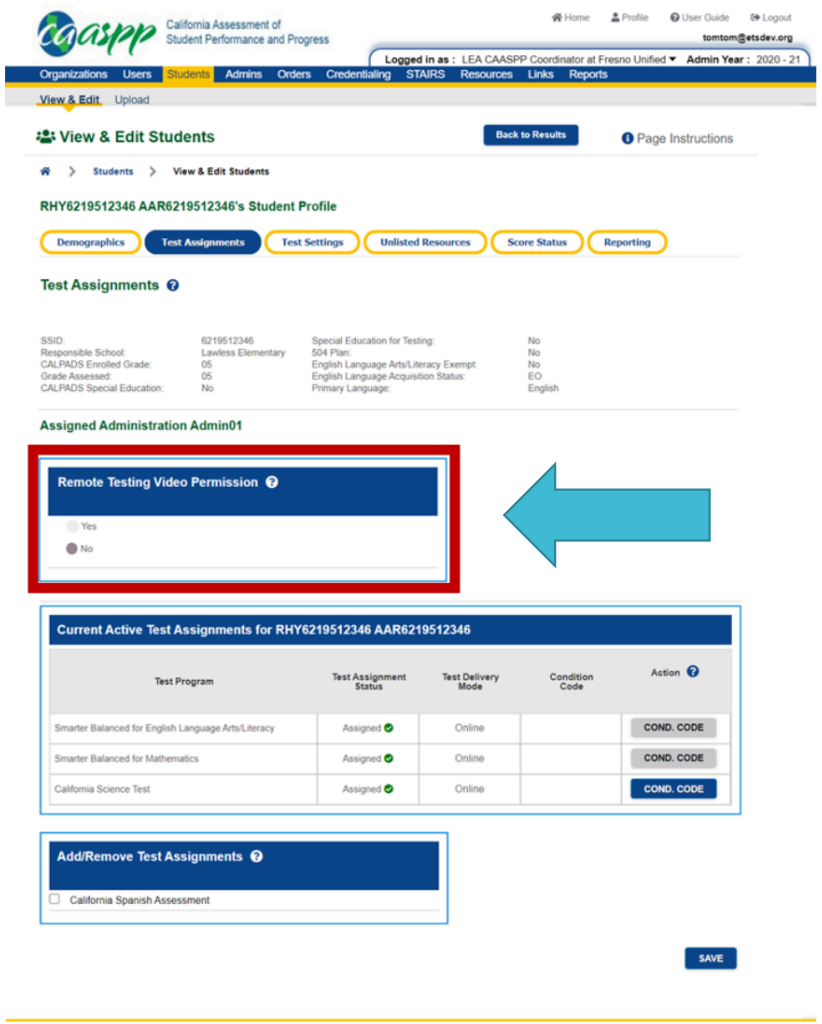

- The remote administration option in the Test Administrator Interface is **only** available if the following conditions are met:
  - Remote administration is permitted for the test.
  - The remote testing readiness flag is set to "ready" for the LEA and the school.
  - The test administrator's or test examiner's remote test administration status is enabled.

SETTINGS MATTER

Santa Barbara
County Education Office
Susan C. Salcido, Superintendent

REMOTE TESTING

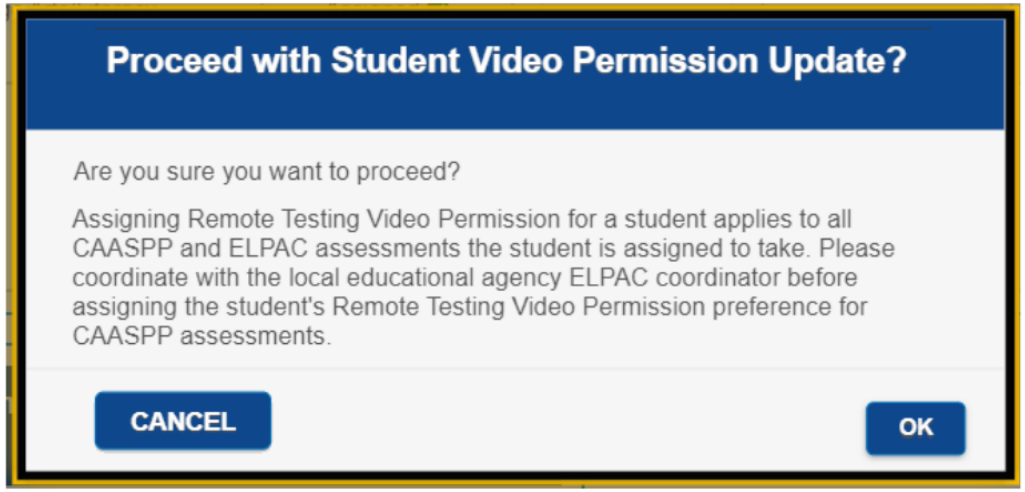

- A default “Yes” will be available for all students on January 12, 2021.
- New students after January 12, 2021, will default to “No.”
- Changes to this setting require one business day to update.
- The user interface is available to coordinators and site coordinators.
- Batch upload is **only** available to coordinators.

PARENT/GUARDIAN NOTICATIONS

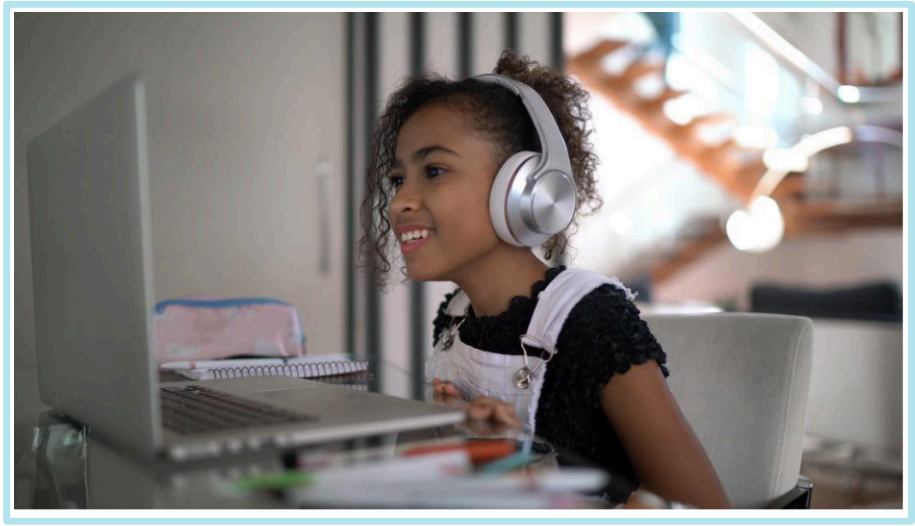

- Video is required for the administration of most CAASPP and ELPAC assessments.
- Parents/Guardians must be notified of remote testing and that video will be used during testing.
  - Signed permission is not required.

Santa Barbara
County Education Office
Susan C. Salcido, Superintendent

MONITOR REMOTE TESTING

- Video cameras are on for the entire testing session.
  - Students may not use virtual backgrounds.
- Small groups of no more than four students per session to allow for monitoring through video feeds.
- Monitor test progression through the Test Administrator Interface.

TEST RULES

Santa Barbara County Education Office
Susan C. Salcido, Superintendent

Pause Rules apply regardless of whether the student or the test examiner pauses the test

Breaks less than 20 minutes are allowed, breaks greater than 20 minutes can result in students being able to return to testing except for Speaking and Writing

A Listening or Reading test is paused for more than 20 minutes, the student must log back on to the student interface to resume testing

Pause or expiration was not the fault of the student, then a Re-open Appeal may be requested to reopen

ELPAC Summative Training and Certification

- Below you will find the link to the recording to the regional trainers meeting that was held on October 27, 2020.
