ATHLETIC SCHEDULES

GIRLS BASKETBALL – The Girls were in Tacoma this weekend and placed 3rd at the WIAA 3A State Basketball Tournament. In Thursday’s quarterfinal matchup with Stanwood, Teryn Gardner scored 29 points, Natalie Braun, 12 and Addison Wells Morrison 7 to lead the Panthers in the 62-54 win. In Friday’s semifinal against Garfield, Gardner scored 25, Braun 9, Wells Morrison 8 and Miah Cyr added 7 points, but it was not enough against the taller Bulldogs and Mead dropped to Saturday’s 3rd/5th place game against Arlington. Mead trailed the Eagles by as much as 16 points in the 4th quarter but rallied with some hot, long-range shooting, late in the 4th quarter and Teryn Gardner’s off balance shot from the key with .7 seconds left proved to be the game winner. Mead won 69-67 and placed 3rd!

Congratulations to Coach Quantae Anderson and our Girls! Gardner was also named to the All-Tournament 1st Team.

With the Winter Sports Season nearly finished – Dance still competes at Districts (3/11) and at State (3/24) – and Scholastic Cup points still being tabulated, Mead High School is climbing in the Cup Standings. Without points being awarded for State Wrestling (Champs), Gymnastics (2nd), Girls’ State Basketball (3rd) and Cheer (1st & 2nd) the Panthers are currently 4th in the overall 3A Standings. Our following Activities earned Academic Honors at the State Level last week.

SPRING SPORTS – Teams have been getting things done, despite the cold weather, and school cancellations and non-league events kick off this week with Boys Soccer traveling to Wenatchee, Baseball Boys & Girls Tennis, and Boys & Girls Golf heading south to the tri-cities, and Boys & Girls Track trying to find some sun in Walla Walla!
