IMPORTANT INFO

- Professional Development Days- Monday & Tuesday

There will be no school on Monday and Tuesday because of Teacher Professional Development. This means that these are NOT remote learning days, but days off from school that do not require attendance. Have you ever wondered what PD days actually are? PD days are for teacher training. This includes topics such as how to better use technology in the classroom and for remote learning, helping students with their social and emotional learning, and how to work projects into curriculum. Teachers are learners, too!

Upcoming Dates

2/15 & 2/16 No School- PD Days
2/17 Remote Learning Day
2/18 & 2/19 Regular School Days

Open Media Center after school for students needing technology on Thursday.

Veronica Watson Roan Scholar

Congratulations to Veronica Watson on being named an ETSU Roan Scholar.

"The Roan Scholars Leadership Program is a premier scholarship program at East Tennessee State University for students from across our region who have demonstrated the potential and the desire to become exceptional leaders." "Through four years of unique out-of-the-classroom experiences, we challenge, inspire, connect and support – all so Roan Scholars can realize their potential to impact our world."

Available Scholarships

Seniors, use this [link](#) to view scholarships that are currently available. Application deadlines range from 2/22 through 5/31. Apply to any that you're eligible for to get money to support your future!

New Scholarships at EHS

The Josh Wandell Faith Over Fear Scholarship is now open to seniors who have had triumph over trials. An email has been sent to your EHS email addresses containing the application. A \$1,000 scholarship will be awarded to a senior upon graduation. The deadline to apply is March 23rd.

The EHS Teacher's Memorial Scholarship is a new scholarship. Recipients of the EHS Teacher's Memorial Scholarship must exude a perseverance and determination needed to succeed in college and beyond.

Student Changemaker of the Month

Congratulations to Naz Robinson on being named the February Student Changemaker of the Month for demonstrating the EHS Core Value of Resilience.

Naz is an excellent conversationalist, deep thinker, and produces some amazing music and lyrics.
