THE CYCLONE SPIN

IMPORTANT INFO

- **Remote Learning Wednesdays**

Under our current schedule, we will continue having Wednesdays act as a Remote Learning Day for all students. This provides our custodial staff the time to vigorously clean the building to help ensure the safest environment possible for students and staff.
Remember that Remote Learning Days are still school days that require attendance and completing assignments. You should be plugged into Google Classroom on these days to make sure you don't miss anything from your teachers.
