Can I participate in Honors Day?

- Yes, we will have Honors Day set up socially distanced for students and guests.

Can I still play sports/extracurriculars?

- Yes. The risk is still present that being a contact could occur.

If I have been vaccinated, can I be contact traced?

- No, as long as you are 10-days beyond the final dose.

Can I be contact traced if I have tested positive for COVID-19 before?

- Individuals who have tested positive for COVID-19 do not have to quarantine if they are a close contact for 90 days beyond their positive test or onset of symptoms.

Do I have to be a distance learner?

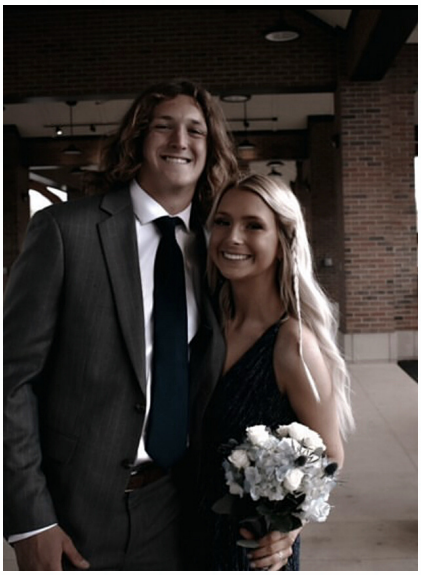

- No, this is an option. However, it is important to remember the risk associated with being 6-ft or less at school or anywhere else.

SEL Surveys

Links have been sent to student emails for you to take a survey about your learning throughout the pandemic and your social and emotional well-being. These are completely anonymous. Please be sure to take this survey seriously and honestly, we will never know your individual answers, but being able to see how students across the entire school feel about certain issues can help guide us on improvements to make throughout the school. Please be sure to take the survey as soon as possible.
