Lost & Found

Students,
Please check for your lost and found items located in the black trunk in the main office as soon as possible.

EOC Testing

EOC Testing will begin on Nov. 30 and continue through Dec. 17th. A testing schedule has been sent to your school email. If you are in a class that takes an EOC please try your best to be here at your scheduled time to take the test.

NHS Acceptance

National Honor Society acceptance letters were sent in school email last week. Junior and senior applicants need to check their school email for these. Those accepted need to pay \$5 dues (exact cash or check) to Mrs. Payne by Tuesday, Nov. 24. Congratulations to the new members of EHS NHS!

Scholarship Info

The E.E. Perry Scholarship is now available at www.easttennesseefoundation.org. This scholarship is for exceptional students from Carter County who intend to pursue math, science, engineering, or medical fields of study. The East Tennessee Foundation website has lots of other scholarships in which students may apply. Deadline to apply is February 15, 2021.

ETSU & Northeast State Gen. Scholarships

The ETSU General Scholarship Application & Northeast State General Scholarship Application are now open through March 1, 2021.

Changemaker of the Month- Riley McKinney

Riley McKinney has been selected as the Changemaker of the Month for November for demonstrating the EHS Core Value of Excellence. Her teacher said of her in their nomination, "She is the model student. She is always prepared, ready to contribute to class, brings great ideas, and pays incredible attention to detail."

"To me, being a changemaker means being someone who makes a difference in the school and/or community that benefits not just yourself, but those around you as well."
"Excellence is doing your best in everything you do. No matter the obstacles, challenges, or what the outcome may be, you put your best foot forward and be the best you that you can be."
