- Ways to prevent or shorten quarantine if exposed to Covid-19
- Get vaccinated- Anyone 12 or older is able to get the Covid-19 vaccine. Fully vaccinated individuals who are exposed to someone with Covid, but do not show symptoms, do not have to quarantine.
- Wear a mask- Proper mask wearing can help prevent spread
- Get a Covid test- Quarantine can be limited to 7 days if they do not have symptoms and get a negative Covid test after day 5 of quarantine.

Cyclone Connection

Be sure to stay plugged into the Cyclone Connection page on Canvas and turn on your notifications for the daily announcements and important alerts.

HOSA Blood Drive

There will be a blood drive sponsored by HOSA on Friday, August 27, from 8am-2pm. Anyone 17 or older is eligible to donate blood. Email or see Mrs. Katie Dugger in CTE to make an appointment.

Gaming Club Meeting

Enjoy table-top gaming, board games, and card games? The Gaming Club is for you! The Gaming Club will have a short introductory meeting in the Library after school on Wednesday. See Mr. Hensley for more information.

eSports Meeting

eSports' first meeting for existing and new members will be Tuesday August 9th after school in Mr. Clevinger's room.

Japanese Club Meeting

Interested in Japanese language and culture? The Japanese Club will be having a short introductory meeting on Thursday after school in the Library. Japanese Club is sponsored by Hensley-Toshokan-in and ETSU Japanese Language intern Everroad-Senpai. There are no fees to join the club.

August Core Value Highlight Community

EHS has five Core Values that demonstrate what it means to be a Cyclone. They are Accountability, Excellence, Community, Resilience, and Integrity. For the month of August, we will be looking at what it means to be part of the Cyclone Community and also our local community.
