Students with Last Names M-Z will work digitally Monday-Wendnesday. Students will attend in person Thursday & Friday.

Students riding a bus in the morning will be socially distanced in auditorium. Students will have their temperature checked as they enter the building. At 7:20 AM those students, along with students who walk, ride bikes, or are dropped off will go straight to their 1st period class. Grab and go breakfast will be available.

CLASS EXCHANGE

Students will follow directional tape in the hallways. Stairways on the main hallway will be one direction (except in an emergency). Auditorium side stairs will go UP, and Gym side stairs will go DOWN. Students will not be able to use the bathroom during class changes, they will need to go during class time.

IN CLASSES

Desks will face all one direction. Teachers will work to maximize fresh air to the extent possible while maintaining a working classroom environment. Students will need to keep their essential classroom supplies with them to minimize sharing. High touch surfaces will be cleaned often, and desks and high touch surfaces will be disinfected at least once a dy with a Clorox 360 machine.

EXTRACURRICULAR ACTIVITIES

Clubs, Band, & Sports will still be able to meet. We will follow TSSAA guidelines for sports and modify their suggestions for band and clubs.
