*The Northern Highlands Regional Board of Education  
invites you to attend three meetings to **ACTIVELY  
PARTICIPATE** in creating our Strategic Plan!*

Strategic planning creates a vision of the future, and identifies goal and strategies necessary to move the district forward to meet the challenges of the 21<sup>st</sup> century. We will be discussing the strengths, accomplishments, and challenges of our school, the vision and expectations for our school and the goals and objectives necessary to design our future. We are inviting staff members, parents, students, community leaders and other interested members of the public to work together with us – so that we can effectively plan for the future of our district and students.

Facilitated by The New Jersey School Boards Association Field Service Representative, Al Annunziata. For more information, please visit our school website at [www.NorthernHighlands.org](http://www.NorthernHighlands.org) and look for *Strategic Planning*
