SOLAR ECLIPSE

Monday , August 21st will be dismissing at 11:30 so that your child can experience the eclipse with protective eyewear and parental supervision. A solar eclipse will not happen again until April 8, 2024. Safety viewing guidelines are printed on the back of this Principal's Page.

Parents: Monday will begin a regular day for all students. We ask that you let your child off at the designated areas and allow your child to walk to class. We will have faculty and staff available to make sure your child arrives to class safely. We will make an exception for Kindergarten the first week of school and after that please allow them to walk to class without a parent or guardian.

Kindergarten will be staying a full day and will be dismissing at 3:00 with the other students. Please be mindful of this when you are in the car line. Also, please remember for safety reasons if your child is walking home we will wait until all cars have gone through the line to release these students.

We have scheduled our Open House for August 22nd from 6:00—7:00 p.m. We will open the doors at 5:30. Please go to the gym for a brief meeting before going to visit your child's classroom. Please plan to attend.

REMINDER:

Please remember to contact the front office @ 547-8020 if your child will be out of school due to illness or other medical reasons.
